

IReservaService

```
graph BT; ReservaLib --> IReservaService
```

A UML diagram illustrating an implementation relationship. At the top is a white rectangular box with a black border containing the text "IReservaService". Below it is a gray rectangular box with a black border containing the text "ReservaLib". A blue arrow points vertically from the top of the "ReservaLib" box to the bottom of the "IReservaService" box, indicating that "ReservaLib" implements "IReservaService".
